Patient Financial Responsibility Policy

Your current and correct insurance card must be presented at the time services are rendered. If your card is not present at the time you receive services, we may not be able to bill your coverage until it is received. If we do not receive your insurance card within 90 days of service, many insurances will no longer allow us to bill them. You may need to seek reimbursement from them directly at that point. If your coverage cannot be verified at the time of service, you will be responsible for payment for all services up front. It is your responsibility to notify us if there are any changes to your insurance, address, phone number or family status at check-in or sooner. It is your responsibility to pay for your copay and/or coinsurance at time of service. If uninsured, it is your responsibility to pay your bill in full at time of service.

Responsible Parties: If you are an adult (age 18 or older) you are legally your own responsible party. You may not name another adult (such as a spouse or parent) as financially responsible for you. In the instance that another adult agrees to take financial responsibility for you, they must sign the financial policy on your behalf. If you are signing for a minor child or a disabled adult child, you are the responsible party for any treatment that occurs until a new financial policy is in effect. Financial responsibility must be revoked in writing and a new responsible party must sign a new financial policy accepting responsibility at that time.

If your insurance does not cover any office visit, specifically but without limitation annual exams, and/or diagnostic testing, and/or treatment, you understand that you are responsible for payment of service and will make immediate, satisfactory arrangements to settle your account. Although we will bill your insurance company for services rendered, you are financially responsible for all services rendered. If payment has not been received within 60 days of billing your health plan, we will contact you for assistance. Should your health plan deny coverage for any reason, you will be responsible for payment within thirty days of your billing statement. We also charge a $30 no-show fee for appointments that are not cancelled ahead of time.

A holder of this medical debt contract is prohibited by Section 1785.27 of the Civil Code from furnishing any information related to this debt to a consumer credit reporting agency. In addition to any other penalties allowed by law, if a person knowingly violates that section by furnishing information regarding this debt to a consumer credit reporting agency, the debt shall be void and unenforceable.

Acknowledgement and Agreement:

I have entered all information to the best of my knowledge and verify the information to be accurate and true. I have read and understand the Patient Financial Responsibility Policy. I also understand that Perlman Pediatrics may amend such terms from time-to-time. I authorize my insurance benefits to be paid directly to Perlman Pediatrics. I also authorize Perlman Pediatrics and my insurance company to release any information required to process my claims.

We may disclose PHI about you to doctors, nurses, technicians, students or other health system personnel who are involved in taking care of you in the health system. We may also share PHI about you with other non-Perlman Pediatrics and non-UC San Diego Health providers. The disclosure of your PHI to non-Perlman Pediatrics and/or non-UC San Diego Health providers may be done electronically through a health information exchange that allows providers involved in your care to access some of your Perlman Pediatrics and/or UC San Diego health records, including PHI, to coordinate services for you.

I understand that as a part of my healthcare, Perlman Pediatrics originates and maintains paper and/or electronic records describing my health history, symptoms, examination and test results, diagnoses, treatment and any plans for future care and treatment. I understand that this information serves as follows:

A basis for planning my care and treatment;
A means of communication among health professionals who contribute to my care;
A source of information for applying my diagnosis and treatment to my bill;
A means by which a third-party payer can verify services billed were provided;
A tool for routine healthcare operations, such as assessing quality and reviewing the competence of healthcare professionals.

I understand that as a part of Perlman Pediatrics' treatment, payment and/or healthcare operations, it may become necessary to disclose my PHI to another entity and I consent to such disclosure for these permitted uses including disclosures via fax and sharing of electronic medical records. Additionally, PHI may be released without my authorization for (i) legal and/or governmental purposes as required by law and for (ii)certain miscellaneous circumstances, such as to a person accompanying you for treatment or to an authorized public party for disaster relief purposes, all as allowed under HIPAA.

Except for the situations listed above, we will use and disclose your PHI only with your written authorization. We will not disclose your PHI in the following cases, unless you give us written permission: (i) marketing purposes; (ii) sale of your information; and (iii) most sharing of psychotherapy notes. Federal and state laws provide special protections for specific kinds of PHI and require authorization from you before we can disclose such PHI. In these situations, we will contact you for the necessary authorization. In some situations, you may revoke your authorization. If you have questions about these laws, please contact the Privacy Officer at 619-222-1253.

If you prefer to not exchange health information by email or text, please let us know by sending an email to pediatrics@perlmanclinic.com or texting 858.554.1212.

Without limitation, you have the right to request: (i) restrictions on the disclosure of your PHI; (ii) ask for a specific means of communication; (iii) request an electronic or paper copy of your PHI; (iv) an amendment to your PHI; (v) seek an accounting of the disclosures made of your PHI; (vi) a paper copy of this Notice; and (vii) a written notification of any breach of the confidentiality of your PHI. All requests must be in writing and in certain circumstances a request may be denied or require the payment of a fee. In any such circumstances we will explain our response.
